Goldsmiths

Goldsmiths, University of London is a world-leading centre of educational excellence where ground-breaking research meets innovative teaching and thinking. We're looking for inspiring and talented people to help build on our global reputation while also growing personally in a true learning organisation.

As a college we are working to tackle inequality in all its forms and are working to promote equality on grounds of race, disability, age, sex, gender identity, sexual orientation, religion and belief, marriage and civil partnership, pregnancy and maternity, and caring responsibilities. We are keen to attract candidates from diverse backgrounds who share our commitment to creating an inclusive culture in which all students and staff can thrive.

Information for candidates with disabilities can be found on our [Disability & Individual needs](#) page. We are happy to supply information in alternative formats for applicants if required. Please contact hr-recruitment@gold.ac.uk to make your request.

The Admissions Team

The Admissions Team sits within the Student and Academic Services Directorate. The team processes applications for Goldsmiths programmes with an emphasis on delivering an excellent applicant experience while recruiting sufficient students to fill available places. Admissions work alongside other Student and Academic Services Directorate teams and Recruitment Teams to maximise conversion of applicants to enrolled students.

Job description

Reporting to: Admissions Operations Manager

Summary:

The role of the Admissions Adviser is vital in ensuring that adequate numbers of students are admitted to Goldsmiths and that these students meet all entry requirements. The role is responsible for carrying out thorough quality assurance checks and making decisions on a range of applications in collaboration with academic Admissions Tutors. The role is, most importantly, responsible for providing exemplary customer care to applicants and in supporting them throughout the applicant lifecycle from point of application to arrival.

Main duties:

- To promote the activity of the Admissions Team by working across Student and Academic Services, professional service departments, academic departments, the Student's Union and external stakeholders;
- Contribute to the ongoing planning and implementation of excellent services for the enhancement of the student experience at Goldsmiths;
- Be committed to personal professional development, to ensure highest quality of service to students;
- Contribute to team work to ensure business continuity within the team following the failure of, or damage to, vital services or facilities;
- To support and contribute to recruitment and student activities such as open days, induction events and graduation ceremonies. This will include some weekend working;

- Receiving applications from UCAS or directly and maintaining all data relating to these applications on the Student Record System (Unit-e);
- The processing of applications as per the timetables and requirements set down by Goldsmiths Admissions Policy;
- Making decisions on applications to Goldsmiths using agreed criteria. The development of the admissions criteria will be a collaborative process, with designated staff in departments determining essential criteria and the Admissions Operations Manager providing advice and guidance on a range of qualification types and access;
- Liaising with colleagues in academic departments, to ensure that all stakeholders in the process of admitting students to the College are kept fully informed of the progress of applications, as well as the levels and categories of decisions, and are able to access all information required to assess applications;
- Initial verification of Home/Overseas fee status and assessment of qualifications and their equivalency;
- Advising Admission Tutors and other colleagues on non-standard/ international qualifications and using this information to inform decision making where pre-determined admissions criteria are in existence;
- Utilising MS Teams to keep in contact with team members on and off campus;
- Arranging applicant interviews;
- Communicating decisions to applicants via Clearing Houses or directly (as appropriate);
- Preparing and checking that applicant records meet all the relevant UKVI requirements prior to the issuing of a CAS;
- Answering queries relating to admission and the progress of applications to undergraduate, PGCE and postgraduate programmes and providing help with enquiries relating to study at Goldsmiths in general;
- Participating in the annual clearing process which will involve some additional hours and weekend working;
- Providing support for the enrolment and registration process to ensure that all students are fully enrolled;
- To make use of contextual data within the admissions process and advise colleagues in academic departments accordingly;

- To be responsible for the provision of a seamless customer care service to prospective students using a variety of communication (telephone, email, chatbot, in person etc.) methods including providing advice and guidance to applicants, staff in departments, and external schools/colleges on acceptable qualifications and appropriate admissions routes, for both undergraduate and taught postgraduate courses.
- Attending training courses and seminars as required;
- You will be required to undertake any other duties as may reasonably be required
- Ensure that you are aware of and aligned with Goldsmiths' Regulations, Strategy, and Objectives to work together to proactively advance Equality and Diversity
- At all times to help maintain a safe working environment by participating in training as necessary and following the Goldsmiths' Health and Safety Codes of Practice and Policy
