Goldsmiths

Goldsmiths, University of London is a world-leading centre of educational excellence where ground-breaking research meets innovative teaching and thinking. We're looking for inspiring and talented people to help build on our global reputation while also growing personally in a true learning organisation.

We are happy to supply information in alternative formats for disabled applicants. Please contact hr@gold.ac.uk to make your request.
Estates and Facilities Management

Estates and Facilities Management (E&FM) is a specialist directorate within the University with over 200 staff. It maintains and supports the University and its changing needs in respect of the following disciplines:

- estates strategy & strategic development
- capital projects, minor works and refurbishments
- maintenance (building and grounds), surveys, statutory compliance
- Infrastructure
- space utilisation & timetabling,
- energy and carbon management,
- environmental management
- facilities services including: cleaning, portering, security, switchboard, reception, post and stores;
- health and safety
- catering
- conference services
- procurement
- print services

The main campus is based at New Cross, London Borough of Lewisham and covers approximately 16 acres. It comprises some 80 buildings ranging from three fine Victorian Grade II listed buildings, a number of former domestic properties (now being used for academic and office purposes), a range of post-war utility buildings (now requiring replacement), to new purpose built ultra modern buildings. Also situated approximately 12 miles from the main campus is Loring Sports Ground, located in Sidcup, London Borough of Bexley, which consists of a 20 acre sports ground and associated buildings. The variety of buildings presents a diverse set of challenges.

Estates & Facilities aims to make significant improvement to its service delivery and the quality of the estate in order to meet the rising expectations of staff and students.

The main functions of Estates and Facilities Management are:
- To advise on strategy to optimise the use of the estate and to meet the future requirements of the institutional/corporate plan;
- To procure development projects as approved;
- To manage and keep under review, property agreements, leases etc;
- To liaise with external bodies, as appropriate concerning the estate;
- To maintain buildings, services and grounds in safe condition and fit for purpose;
• The provision of timetabling services to maximise space utilisation.
• To operate support services which meet agreed Service Level Standards;
• To monitor effectively all financial activities to ensure departmental compliance with University’s financial regulations and procurement procedures;
• To adopt value for money solutions in all aspects of activities;
• To develop, maintain and implement policies and procedures to effectively manage the estate and its services;
• To identify and meet current and emerging ‘customer’ requirements;
• To ensure that all work and services for which it is responsible, are undertaken in a safe manner;
• To provide all of its staff with the necessary training and support to effectively undertake their work and promote personal development;
• To provide a facilities management function for the delivery of portering, cleaning, security, post room, central stores and telephone services.

E&FM overall aim is to provide for sustainable first class facilities for research, teaching and learning and other activities and to create a vibrant and safe environment for students, staff and visitors and to deliver a service in a professional and integrated way.

Job description

Reporting to: Timetabling Operations Manager

Summary:
To provide the first point of contact for all room bookings and timetabling enquiries and requests

Responsibilities will include managing and maintaining of the Room booking inbox

To ensure the efficient and effective use of University meeting and teaching room facilities through room audits.
Main duties:

- To provide a first point of contact for the Timetabling Office, handling both inbound and outbound communications via MS teams, e-mail, telephone and face to face enquiries ensuring a prompt and professional service to all requests, liaising with IT services where technical assistance is required.
- To process room bookings, using Syllabus Plus and the Students’ Union to accurately enter and or approve a wide range of non-teaching activities, including internal meetings, recruitment events important events and induction sessions.
- To provide general advice and guidance regarding the University meeting and teaching room space and associated facilities in the allocation of suitable room.
- As required conduct physical room audits, to identify room attributes, update knowledge and room inventory, for meeting room and teaching space and fixed facilities within the rooms.
- As required organise, manage and coordinate room audits of teaching space to ensure teaching facilities are being fully utilised.
- To undertake data entry, validation and retrieval activities, to produce reports when required
- To follow room booking protocols, processing both risk assessment documentation and procedures relating to Freedom of Speech requirements
- To provide administration support to the Timetabling Officers where needed, assisting in the entry of general timetable information onto the Syllabus Plus database
- To provide room booking confirmation to staff and students in an accurate and timely manner.
- To provide timetable information to all stakeholders as appropriate
- To provide printed timetables extracted from Syllabus Plus as necessary.
- To provide guidance and referral information in regard to specific room layout, catering and other facilities
- To work collaboratively with other teams within Estates and Facilities and across the University.
• To identify and report any health and safety issues in the relevant work areas, ensuring compliance with health and safety legislation and University policies and procedures
• Any other duties or responsibilities as may reasonably be required by the Director of Estates and Facilities

**Stakeholder Management**

• To assist in the establishment of the Team as the recognised point of contact for Room Booking issues and queries.
• To liaise with members of staff from across the University to timetable ad hoc requests for space and timetabling queries in support of the wider team, and to provide management information.
• To liaise with other teams within Estates and Facilities to support both capital and maintenance projects particularly those around teaching facilities.
• To liaise closely with our Conference Services Team to ensure that we maximise the use of our campus to increase revenue.
Person Specification

Detailed below are the types of qualifications, experience, skills and knowledge which are required of the post holder. Selection will be made upon evidence of best-fit with these criteria.

The Essential criteria sections show the minimum essential requirements for the post, therefore if you cannot demonstrate in your application you meet the essential criteria categorised below, you will not be invited to interview.

The Desirable criteria sections show additional attributes which would enable the applicant to perform the role more effectively with little or no training.

The Category column indicates the method of assessment:
