## **Department of Research and Knowledge Exchange**

The Department delivers the University's Research and Knowledge Exchange Strategy. The Pro-Warden for Research and Knowledge Exchange provides academic leadership of this area and the Department is under the strategic management of the Director of Research, Innovation and Knowledge Exchange who reports to the Pro-Warden. The Department as a whole supports: the development of research and knowledge exchange bids; post award management (including statutory reporting); the University's compliance with codes of conduct, ethics and other regulatory requirements; business enterprise and knowledge exchange, IP and spin outs; the University's REF submission; and civic and public engagement.

### **About this role**

Reporting to: School Research and Knowledge Exchange Manager

### **Summary:**

The role holder will be responsible for supporting the day-to-day research and knowledge exchange activities of academic staff across the School. S/he will work with colleagues in the Research and Knowledge Exchange Department to develop and implement improved systems and processes to help enhance the capacity of Goldsmiths to secure and manage research and knowledge exchange income. The role holder will furthermore have a focus on encouraging compliance with due diligence and other funders' and regulatory non-financial requirements pertaining to externally funded research grants.

The post holder will provide expert advice and support at the highest standards of service to academic and professional staff across multiple departments. We are seeking a motivated professional, with an established track record of working in a research environment. Flexible and versatile, the postholder will have proven communication, collaboration and numeracy skills, in addition to an excellent understanding of the UK funding landscape and processes, in order to build effective relationships across the School.

### **Main duties:**

- To support the day-to-day research and knowledge exchange activities across the School, including support for purchasing, expenses, monitoring departmental or School expenditure on internal grants or allowances, ensuring the eligibility of expenditure on external grants, hiring grant-funded posts, managing partner relationships, and providing assurance to funders, auditors and other regulatory bodies that conditions of grant have been met.
- To assist with the creation and evidencing of impact case studies across the School.

- To service research, ethics and knowledge exchange committees that sit at department or School level (as and when needed).
- To assist with the organisation, promotion and financial expenditure processing for research seminars, conferences and workshops across the School.
- To ensure that the College's strategies for research and knowledge exchange are understood and are reflected appropriately within School and departmental research plans and priorities.
- To work with other colleagues within Research and Knowledge Exchange on the College's researcher development programme, including initiatives specifically aimed at early career researchers.
- To assist with the College's annual reviews of departmental research clusters and research units.
- To work with other colleagues within Research and Knowledge Exchange on the development of new proposals seeking external funding by raising academic staff awareness of, and readiness for, external funding opportunities, as well as by supporting the shaping, costing and submission of proposals.
- To support the roll-out of the College's online research grants management system, Worktribe, ensuring that its benefits and the opportunities it provides are understood and maximised across the School, providing hands-on support to academics as and when necessary; and to encourage greater uptake of the College's Business World/Agresso system.
- To work effectively as part of a wider team, providing support to other colleagues as appropriate at certain 'pinchpoints'.
- To draft reports, analysis and other content for internal and external audiences, including content for the College's website and intranet.
- To maintain an up-to-date knowledge of the research and knowledge exchange landscape, ensuring that any changes in policy and procedure on the part of funding bodies are brought to the attention of relevant colleagues in the School and applied as appropriate.
- To proactively promote good research grant management practice with academic staff across the School, contributing to capacity building as appropriate and helping to ensure compliance with funders' and regulatory requirements.
- To build and sustain strong and positive working relationships with internal and external stakeholders.
- You will be required to undertake any other duties as may reasonably be required.

- Ensure that you are aware of and aligned with Goldsmiths' Regulations, Strategy, and Objectives to work together to proactively advance Equality and Diversity.
- At all times to help maintain a safe working environment by participating in training as necessary and following the Goldsmiths' Health and Safety Codes of Practice and Policy.
